LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Footprints in the Wilderness: A History of the Lost ...

Footprints in the Wilderness Sunday May 10, 2020, 2:15PM. It was a peaceful afternoon nap. I dreamed I was back in the house I grew up in—the one I lived in from when it was built in 1958 through 1966. It was empty, of course. Everybody who lived there but me has passed on.

Heart and Sole: Footprints in the Wilderness

The short answer is of course no. Also obviously yes. I mean definitely, it completely depends on how dickish your kid has actually been. If your kid has butted another kid in the head and caused them to haemorrhage, then some kind of regretful language is probably in order.

Footprints in the Wilderness

Look first for the obvious signs such as footprints and leaves on plants that have been broken, bent, or turned so the light underside contrasts with the surroundings. If a shoeprint is found, draw it in your tablet taking note of any irregularities or other notable signs that may help distinguish the target from other human beings (unless the print is extremely clear, a

How to track a person in the wilderness - and avoid being

...

"Footprints," also known as "Footprints in the Sand," is a popular allegorical religious poem. It describes a person who sees two pairs of footprints in the sand, one of which belonged to God and another to him or herself. At some points the two pairs of footprints dwindle to one; it is explained that this is where God carried the protagonist.

Footprints (poem) - Wikipedia

The relation of a urine stain's position to a set of footprints can tell you if it came from a man or a woman. If the urine stain is in front of the footprints, probably a dude. If the stain is in the middle of the footprints or near the heels, likely a lady who popped a squat to do her business. Audio and Olfactory Indicators

Footprints in the Wilderness was started as a dog friendly hiking group. Our members generally enjoy all outdoor activities. So even though its primary purpose is hiking, we are open to all outdoor activities. The basic premise of Meetup was "Hey I am going and who would like to join me". It is an entirely volunteer group.
