JSTOR (short for Journal Storage) is a great resource for full-text journal articles in humanities and social sciences.. In addition to full-text of almost 2,000 academic journals, JSTOR encompasses books and other primary sources. Keep in mind, for most titles JSTOR does NOT include full text of the most recent 3 to 5 years.

This Study Guide was written and researched by Jim McNabb for the National Arts Centre, English Theatre, February 2008. It may be used solely for educational purposes. The National Arts Centre English Theatre values the feedback of teachers on the content and format of its Study Guides.

And All for Love Study Guide - ArtsAlive.ca

An affordable, high-quality research option for secondary school libraries. Widely respected by major universities for its quality and functionality, JSTOR provides the same content to your students that they will encounter in college. Learning to use JSTOR during high school gives students added confidence and prepares them for the rigors of college research, while enabling teachers to incorporate important scholarly content into their classes.
