Amazon.com: a112.18.1 aerator

KOHLER is also best in producing low-spout faucets and this faucet is one of the best bathroom faucets among KOHLER's products that portray sensual designs with very basic low architectural form. As it can bring elegance in any bathroom, the low spout minimizes aggressive water spouts due to strong water pressure while the cross handles ...

Best Bathroom Faucets in 2021 - TOP 10 Rated Faucet Reviews

Delta, Kohler, Price Pfister are not part of the Moen family. Look at the markings on the faucet. A red and blue plug button is generally a universal symbol for hot and cold and is used by other companies including Moen. The numbering "A112.18.1" (which can appear on the water spout, aerator and/or spray wand) is not a model number.
