early modern woodcut and writings on death portray how a man's mental state at the moment of death condemned or saved him. The dying man in fact had "become his own judge." Yet Aries then confuses his description by the use of a dramatic but badly chosen metaphor in stating that it is "a

The Final Moment before Death in Early Modern England

Death Burial and the Individual in Early Modern England. London: Routledge, 1984. E-mail Citation » A slightly dated but still useful overview of death and burial in early modern England. Shows how the growing concern with the individual gradually began the alienation of death from society. Houlbrooke, Ralph.

Death and Dying in England - Medieval Studies - Oxford ...

Quoting Death raises the importance of epitaphs in various aspects of early modern culture. Yet the book fails to fully convince largely because Newstock overstates a prima facie case, arguing not just that epitaphs permeate elements of Renaissance society, but somehow become crucial for understanding it.

» Scott L. Newstok, Quoting Death in Early Modern England ...

Death and burial were of central interest to early modern society and, as it developed, the early modern state. From a theological perspective the focus upon death – especially in the wake of first the Reformation denial of purgatory and later the development of predestination as an article of Puritan faith – led many to enquire after the manner of a good and wholesome death.² The ...
