The Golden Torc Saga Of

The Golden Torc is the second book of the Saga of Pliocene Exile. Although the idea was eventually discarded, May had originally envisioned "The Many Colored Land" and "The Golden Torc" as being published as a single, larger book. The first two-thirds of The Golden Torc occur at the same time as the events described in The Many Colored Land.

The Many-Colored Land / The Golden Torc by Julian May

...

The second book in Julian May's Saga of Pliocene Exile is The Golden Torc. Structured similarly to the first book, it has three sections. In this case, though, the first section is devoted completely to the trials and tribulations of the second group of Exiles, while the last two sections' action is spread out among the entire cast of characters—which has gotten pretty darned big.

Part I of The Saga of Pliocene Exile (a concluding volume, The Golden Torc, is promised), these are the patchy, verbose, moderately diverting adventures of a group of social malcontents exiled via a one-way timewarp to Earth's Pliocene epoch. They arrive (after a tedious hundred-page introduction) to find that a powerful but decadent alien race with paranormal abilities, the Tanu, have local politics pretty well sewn up: they easily enslave all the unsuspecting newcomers, the women becoming ...
