X Saves The World How

In his book, X SAVES THE WORLD, Gordinier makes a semi-humorous attempt to hang a relevance label on Generation X that comes across more like a patented Jan Brady cry for attention. As a fellow Gen X'er (who graduated high school the same year as the author), I found reading X SAVES THE WORLD as a source of eye-rolling amusement.

Before centennials and millennials
became the darlings of the 2000s,
Generation X (Gen X) was the talk of the
town. And while they've been lurking in
the shadows, the 2020s will be the
decade when the world will experience
their true potential. Over the next two
decades, Gen Xers will begin taking over
the leadership reins across all levels of
government, as well as throughout the
financial world.
